

Job Title: Commercial Credit Analyst

Company: Greenville Federal

Location: Tipp City, Ohio

Job Type: Full Time with excellent compensation/benefit package

Education Level: High School Diploma required, Associates Degree in business related field preferred

Job Category: Commercial Analyst / Credit Administration

Relevant Work Experience: 2+ years in a credit analyst position; lending preferred

Job Details:

Greenville Federal, a community bank located in Greenville, Ohio, has an excellent opportunity for a professional business person to join a dynamic commercial lending team as a commercial credit analyst. Responsibilities include reviewing credit data to evaluate commercial loans requests/annual reviews. Analyze financial statements, business/personal tax returns and credit reports in order to assess risk and preparing credit presentations. Credit administrative functions include maintaining financial statement database, requesting financials as needed, preparing weekly reports.

Generating high quality credit presentations and maintaining a high level of customer satisfaction are key responsibilities of a credit analyst at Greenville Federal.

Qualifications:

- Self motivated and able to multi-task efficiently to juggle various “in process” files
- Excellent communications skills, both verbally and written
- Strong organizational skills
- Task oriented with the ability to meet specific goals
- Teamwork: Ability to work within a group to fulfill a mission.
- Prior analyst experience preferred
